OBJECTIVE

Highly skilled React Native Developer and Software Engineer, proficient in MERN and Socket Technologies; seeking dynamic opportunities for innovation and problem-solving.

TECHNICAL SKILLS

Expert in **React-Native**, **NodeJS, SQL, Socket, ReactJS/NextJS ,Tailwind CSS, AWS**
HTML/CSS, JavaScript, Java, Git Bash**,** GITHUB, Linux, Ubuntu, SDLC, Project Management, iOS, Android

EXPERIENCE

Wiingy, Bengaluru   Dec 23 till Current

React Native Developer

- **Lead Development**: Spearheaded the creation of a dynamic mobile app from scratch, ensuring seamless functionality and user experience.
- **Innovative Chat System**: Implemented a state-of-the-art chat system using Socket.io, enhancing real-time communication capabilities within the app.
- **Technology Adoption**: Adopted cutting-edge technologies like NodeJS, Express JS, and SQL, optimizing app performance and scalability.
- **Effective Communication**: Facilitated clear communication and updates regarding project requirements, ensuring team alignment and timely delivery.
- **Quality Assurance**: Actively participated in unit testing, contributing to the delivery of a stable and reliable product.

Midknight Studios Pvt Ltd, Bengaluru   Jun 23 till Nov 2023

React Native Developer Intern

- Actively contributed to the development and maintenance of mobile, web applications utilizing **React** and **NextJS**
- Fostered effective collaboration with team members to efficiently troubleshoot and resolve intricate technical challenges
- Collaborated with cross-functional teams to successfully deliver projects and meeting all client requirements
- Adapted new technologies like **React native**, **NextJS, Firebase, and** hands on experience on **FIGMA**
- Exceptional problem-solving and analytical skills, with a demonstrated ability to troubleshoot and resolve complex technical issues in a timely manner.

F13 Technologies, New Delhi   Sept 22 till Dec 22

AWS Cloud Intern

- Completed multiple certifications through AWS partner
- Learned a brief about AWS services Implementations of AWS services Globally and Regionally
- Also worked as team lead as well as Mentor and assigned tasked to teammates
- Deployed ReactJS Web App using AWS S3 using default by AWS management and lead the team.

PROJECTS

Mobile App for iOS and Android and Admin Panel (Midknight Technologies)

- Created the application by starting from scratch using figma to code.
- Adapted in start-up culture by leading the project
- Working as dedicated developer and planning work flow
- Also handle clients during meetup and meeting regularly
- Implemented firebase, SMS gateway, FCM, and smtp server
- Collaborated with backend team for updating functionalities.

ReactJS Portfolio Website (Personal)

- Designed a portfolio website using ReactJS
- Deployment of Static Website Using AWS services globally in S3 bucket
- Deployed Website is being protected through Route 53

Detection of Malware Using Machine Learning Algorithms (Final Year Project)
- Experienced in the development of cutting-edge anti-malware solutions, leveraging machine learning and deep learning techniques such as Random Forest, Decision Trees, Gradient Boosting, AdaBoost, and Gaussian Naive Bayes.
- Proven ability to address the challenges posed by the exponential growth of malware, providing effective detection and protection against zero-day attacks.

Placement Cell (Academic Project**)**
- Creating a web Application using Front End HTML and CSS and JavaScript
- Backend MY SQL, PHP
- Placement Cell is an online-based software application so that the university site can provide the important points of their students in a database so that the companies obtain a suitable means of employment.

EDUCATION

B.E. from HKBK College of Engineering affiliated to VTU, Belagavi   2020 -2023
Computer Science Engineering 7.4 CGPA

Diploma from SVIET affiliated to PSBTE, Chandigarh   2017-2020
Computer Science Engineering 8.3 CGPA

SOFT SKILLS
- I am quite flexible with time and consistently work for the task/goal assigned to me.
- Communication skills.
- I am team player
- I am great at multi-tasking.
- I am good in problem solving and making quick decisions.
- I have performed as a team leader at my current organization.

EXTRA-CURRICULAR ACTIVITIES
Coordinator in **Spontania** Fest, **Aahvan** Fest at SVIET
Core Team in **Zonal Youth Fest** at SVIET
Coordinator in **CWC**, **Literary Club, Farewell 2k22** at HKBKCE
